

YOUR LEGACY BEGINS WITH A VISION

Your generosity has the power to change the way the world defines and views disabilities.

For almost 100 years, dedicated and passionate supporters, like you, have selflessly given their time, talents, and treasure to ensure that children and adults of all abilities can live, learn, work, and play in our community. Your generosity allows Easterseals Iowa to grow and innovate ways in which people with disabilities can address life's challenges and achieve personal goals.

You can continue to give Easterseals Iowa and its families a bright future by including a gift to Easterseals Iowa & Camp Sunnyside in your will.

When you make this special gift, you become a member of the Easterseals Iowa Legacy Society. The Legacy Society was established to celebrate and thank those individuals who share our vision to promote dignity, empowerment, and opportunity for all individuals with disabilities. You help us ensure our services will be here for Iowans with disabilities and their families for another 100 years.

To mark your membership in the Legacy Society, you will receive small tokens of appreciation which honor the dream of our founder, Edgar F. Allen:

- A special edition Legacy Society lapel pin
- A commemorative brick in the Easterseals Iowa brick garden
- Recognition in Easterseals Iowa's print publications (we will respect your wishes if you prefer to remain anonymous)
- And most importantly, you will have the satisfaction of knowing that your gift will provide essential services to children and adults with disabilities and their families far into the future

With just a few words in your will or trust, you can leave a legacy of love and hope to future generations. You will change the way the world defines and views disabilities.

"Your life and mine shall be valued not by what we take ... but by what we give." EDGAR F. Allen, 1922, Founder of Easter Seals."
